Commenting on the results, Mr. Satish Pai, Managing Director, Hindalco Industries, said:

“Our sustained performance and strong balance sheet are driving our plans for further organic capex. We have already announced over ₹3,000 crore investments in our downstream pipeline – HiraKud and Silvassa, and the acquisitions of Ryker and Hydro’s Kuppam units. Novelis too has announced capital projects that align market growth with sustainability considerations. An example is the \$365 million closed-loop recycling and casting centre for the North American market.

Budget 2022 made clear the Indian Government’s intent and impetus on infrastructure. We foresee a surge in demand for Aluminium and Copper and are well-positioned to serve the market. We have already planned an investment of ₹825 crores under the Government’s Production Linked Incentive (PLI) scheme reiterating our commitment to a self-reliant India.

From an ESG viewpoint, our sustainable Business Model is being recognised globally. DJSI awarded us the Most Sustainable Aluminium Company for the second year running and we also achieved a Gold in the S&P Global Sustainability Yearbook 2022.”

1. We have reviewed the consolidated unaudited financial results of Hindalco Industries Limited (the “Parent”), its subsidiaries (the parent and its subsidiaries hereinafter referred to as the “Group”), and its share of the net profit after tax and total comprehensive income of its joint ventures and associate companies for the quarter ended December 31, 2021 and the year to date results for the period April 1, 2021 to December 31, 2021 which are included in the accompanying ‘Statement of Consolidated Unaudited Financial Results for the Quarter and Nine Months ended December 31, 2021’ (the “Statement”). The Statement is being submitted by the Parent pursuant to the requirement of Regulation 33 and Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the “Listing Regulations”), which has been digitally signed by us for identification purposes.
2. This Statement, which is the responsibility of the Parent’s Management and has been approved by the Parent’s Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 “Interim Financial Reporting” (“Ind AS 34”), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 “Review of Interim Financial Information Performed by the Independent Auditor of the Entity”, issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of the interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes the results of the entities listed in Annexure -1.
