Liquid effluent shall be treated to conform to the prescribed standard before discharge to Rihand Lake.

Separate funds should be allotted for implementation of environmental protection measures along with item wise break-up. The cost should be included as part of the project cost. The funds earmarked for the environment protection measures should not be diverted for other purpose and year wise expenditure should be reported to this ministry.

We have incurred an amount of Rs. 38036,523 lacs up to 5 units.
For Units 6&7 (Stage-IV): Rs.5377.981 lacs
For 8th Unit (Stage-V): Rs.12557.270 lacs
For units 9&10 (Stage-VI): Rs. 7694.202 lacs.
Total expenditure incurred so far on all the 10 Units was Rs. 63665,977 lacs as on March, 2020. Detailed up to date Expenditure is attached in Annexure-5.

Workers in the noise area have been provided with ear protection devices.

Green Belt all around the Plant, Colony & Ash disposal area has been developed and tree plantation has been done in the areas as per the plan. Apart from this, voluntary Afforestation is a regular feature at Renusagar. 34.15% of total area has been developed as green belt. Plantation report for period of Oct 2020 to March 2021 is attached in Annexure 7.

Director from the Regional Office, (North Region), Lucknow, Ministry of Environment, Forests and Climate Change visits our plant from time to time. Recently Scientist - C, MoEFCC, Lucknow has inspected the implementation for stimulated conditions and progress of our project.

We hope, you will kindly find the same in order.

Thanking you and assuring you of our best co-operation at all times.

Yours faithfully,

For HINDALCO INDUSTRIES LIMITED
(Renusagar Power Division)

(Kamlesh Maurya)
Assistant Manager-Environment
